Dear Ms. Fowler:

We are in receipt of your note dated June 16, 2003 and would like to address your concerns.

Candi Hacker, the bookkeeper and FEC compliance officer who has since been terminated, informed us that the Form FIN had been filed at the time of the May 20th filing. It now appears that neither the statement nor the report were filed as we were led to believe. We have now filed both and will be making the necessary amendments to subsequent filings. It is important to note that we will also have to make amendments to every FEC filing made between 2001 and today.

Further, the state party has received 13 RFAs from the FEC since 2001. It appears few, if any, were ever answered and 9 are now on the 2nd request. We have attached copies of these letters for your records, as well. We will endeavor to answer these letters to the best of our ability; however, we may have specific questions regarding reports filed during that period and will contact you for further explanation.

Sincerely

Michael Turk
